Soviet Radio Propaganda Study

STATSPEC

1. It is requested that ☐ undertake the preparation of a study of Soviet radio propaganda trends over the past year to determine whether, in what manner, and to what extent there has been an increase in references to alleged U.S.-Western-imperialist threats to the USSR and its orbit.
2. The Propaganda Section, D/EE, which will be the primary user of the study, has already discussed the matter informally with ☐ and a joint preliminary formulation of the problem has been agreed upon. STATSPEC
3. It is suggested that the study be completed by 24 April 1950.
